

INDIAN CREEK INTERNET SERVICES, Inc.
Wireless Access Site Survey Request

Thank you for your interest in Indian Creek's wireless internet access.
 To schedule a GPS reading and Site Survey, please fill out the form below and return with your deposit.

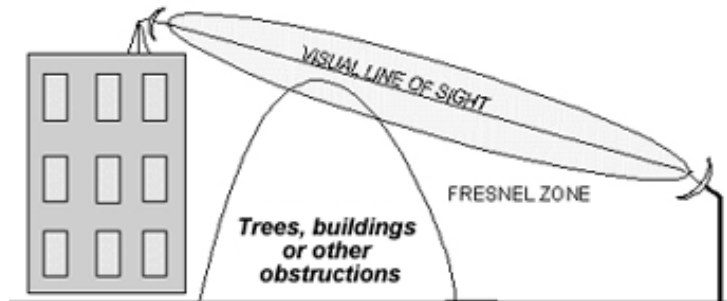

A non-refundable deposit is required for a GPS reading and Site Survey to be scheduled. If a usable link can be established between our antenna(s) and your location, your deposit will be applied to your installation costs.

The Site Survey takes approximately 1 hour from the time we arrive to the time we leave your location. It will be necessary for you to be at your location during the testing to discuss antenna choice & placement, distance to your computer, etc. It is not necessary for you to be at your location for the GPS reading.

If you have any questions, please contact us.
 Phone: 830-796-7788 Fax: 866-230-1620 Mail: PO Box 1565, Bandera, TX 78003

The drawing below shows an example of LOS (line of sight) between two antennas. The Fresnel Zone around the "visual" LOS cannot be more than 20% blocked for a solid radio link. Raising the antenna at the subscriber location is the most effective way of creating an 80%+ clear Fresnel Zone.
